Niva --

This is terrific news. Thank you for working with us on getting this arranged. I will get back to you Monday to confirm timing on the 24th.

Larry

Subject: RE: setting up a meeting

Hi Larry --

Thank you for the email. It was great speaking with you. I'm happy to help set up a meeting with Maria Doa, the director of the Chemical Control Division. October 24 works very well. Potential times would be anytime from 10 – 3, for an hour-long meeting. Please let me know what time works best for you and WM Barr, and I'll confirm the time.

Unfortunately, it wouldn't be possible to do a demonstration on site, but we would be interested in any videos WM Barr may have of paint removal processes.

I'll be in touch ahead of the meeting; please let me know if there is an agenda or specific items you'd like to talk about.

Regarding your separate email related to decaBDE, I'm not able to schedule a meeting at this time, but will get back to you soon on that.

Thank you!

Subject: setting up a meeting

Niva –

Per my recent voice-mail, I would like to set up a meeting with you (and whomever among your colleagues you believe to be important to participate in such a meeting), myself and a representative from my client, W. M. Barr & Company, to familiarize you more with Barr's employee-owned business and its products in the context of regulatory development actions being contemplated by the Agency for certain paint stripper products.

We would be interested in meeting with you this month if possible, preferably on October 24 or 25th if you could be available on either of those dates. Perhaps you could send to me some times on those two dates that you might be available, or (if the 24th or 25th would not work) propose some alternative dates/time combinations if that would be your preference?

I look forward to speaking with you soon.

Larry
